ASSEMBLYMEMBER, 56TH DISTRICT

Dear Neighbor,

Everyone deserves a safe place to call home. California has made groundbreaking investments to increase affordable housing, provide emergency housing aid, and improve living conditions for the most vulnerable communities.

The region has successfully secured over \$100 million for affordable housing and vital infrastructure projects over the last few years.

Significantly, the 2021 state budget allocated \$30 million to relocate Oasis Mobile Home Park residents. This action will deliver urgent relief in response to an ongoing Eastern Coachella Valley humanitarian crisis.

For more information or assistance, please contact the Coachella Valley district office at **(760) 347-2360**, or visit asmcd.org/gv.
