

California State Assembly

Eduardo Garcia

ASSEMBLYMEMBER, 56TH DISTRICT

Dear Friend,

California is committed to serving residents and ensuring that the historic budget surplus is reinvested directly back to you, continuing its legacy of investment in the region. The legislature has been hard at work passing an equitable budget and an inflation relief plan to put money back in the pockets of Californians. Here is a snapshot of several important investments secured in the 2022 budget, including those that would support and strengthen the community.

As always, it is an honor to serve the constituents of the assembly district. For assistance or connections to state resources, please contact the Imperial district office at **(760) 355-8656** or visit asmdc.org/gv.
